## White Tea

### Silver Needle

An exquisite white tea from China's Fujian Province, silvery leaf buds are plucked in spring and left to dry naturally in the sun for a clean, pure and delicate finish. It produces a pale-yellow cup with aromatic notes of melon and honey. Slightly creamy with a clean, refreshing finish.

## Black Teas

### English Breakfast

According to legend, this full-bodied black tea owes its popularity to Queen Victoria, who is said to have enjoyed the blend with breakfast. Newby's English Breakfast produces a dark-amber cup boasting a malty flavour with a refreshing hint of citrus and a prolonged spicy after taste.

### Assam

Hailing from the remote Assam region of northeast India, Newby uses whole leaf second-flush Assam tea. The product of high temperatures and lush monsoons, this luxury blend makes a brisk bright-amber cup, full-bodied and malty with hints of sweet honey.

## Flavoured Black Teas

### Earl Grey

A British classic and a royal favourite, Earl Grey takes its name from the eponymous Prime Minister who so loved the scent of bergamot and orange in smooth black tea. The archetypal British blend, combining fine black tea with sweet yet subtle bergamot oil. Rich and balanced with a citrusy edge, it gives a bright-amber cup with a fragrant citrus aroma and smooth finish. Balanced and full-bodied with sweet hints of bergamot.

### Masala Chai

An uplifting blend infused with rich, warming flavours, Masala Chai has long been part of the Indian culinary experience. While many variations exist, with milk and sugar sometimes blended with the black tea, the addition of spices is integral. Made with fresh, locally sourced cinnamon, clove, black pepper, cardamom and ginger, our Masala Chai has an irresistible edge. A dark-amber cup with a fragrant aroma, a sweet, spicy taste and full-bodied finish.
